STEVEN KHALIL

Steven Kahlil Collection

Design by Steven Kahlil

Luxury can be found in many forms – in fashion, travel, or at home – but essentially it is all about a feeling of generosity and indulgence.

Steven Kahlil’s capsule collection for Designer Rugs embodies this sentiment, transforming the opulence of the red carpet into the comfort of the home. The collection incorporates three designs: De Miel, La Nuit, and Perles, each inspired by one of Steven’s gowns. De Miel means “honey” in French, referencing the complex honeycomb pattern of a gown, translated into a dynamic, textural rug design. La Nuit reflects the glamour of the red carpet with a moody palette, perfect for intimate spaces, while Perles is a soft yet intricate design that balances femininity with subtle elegance.

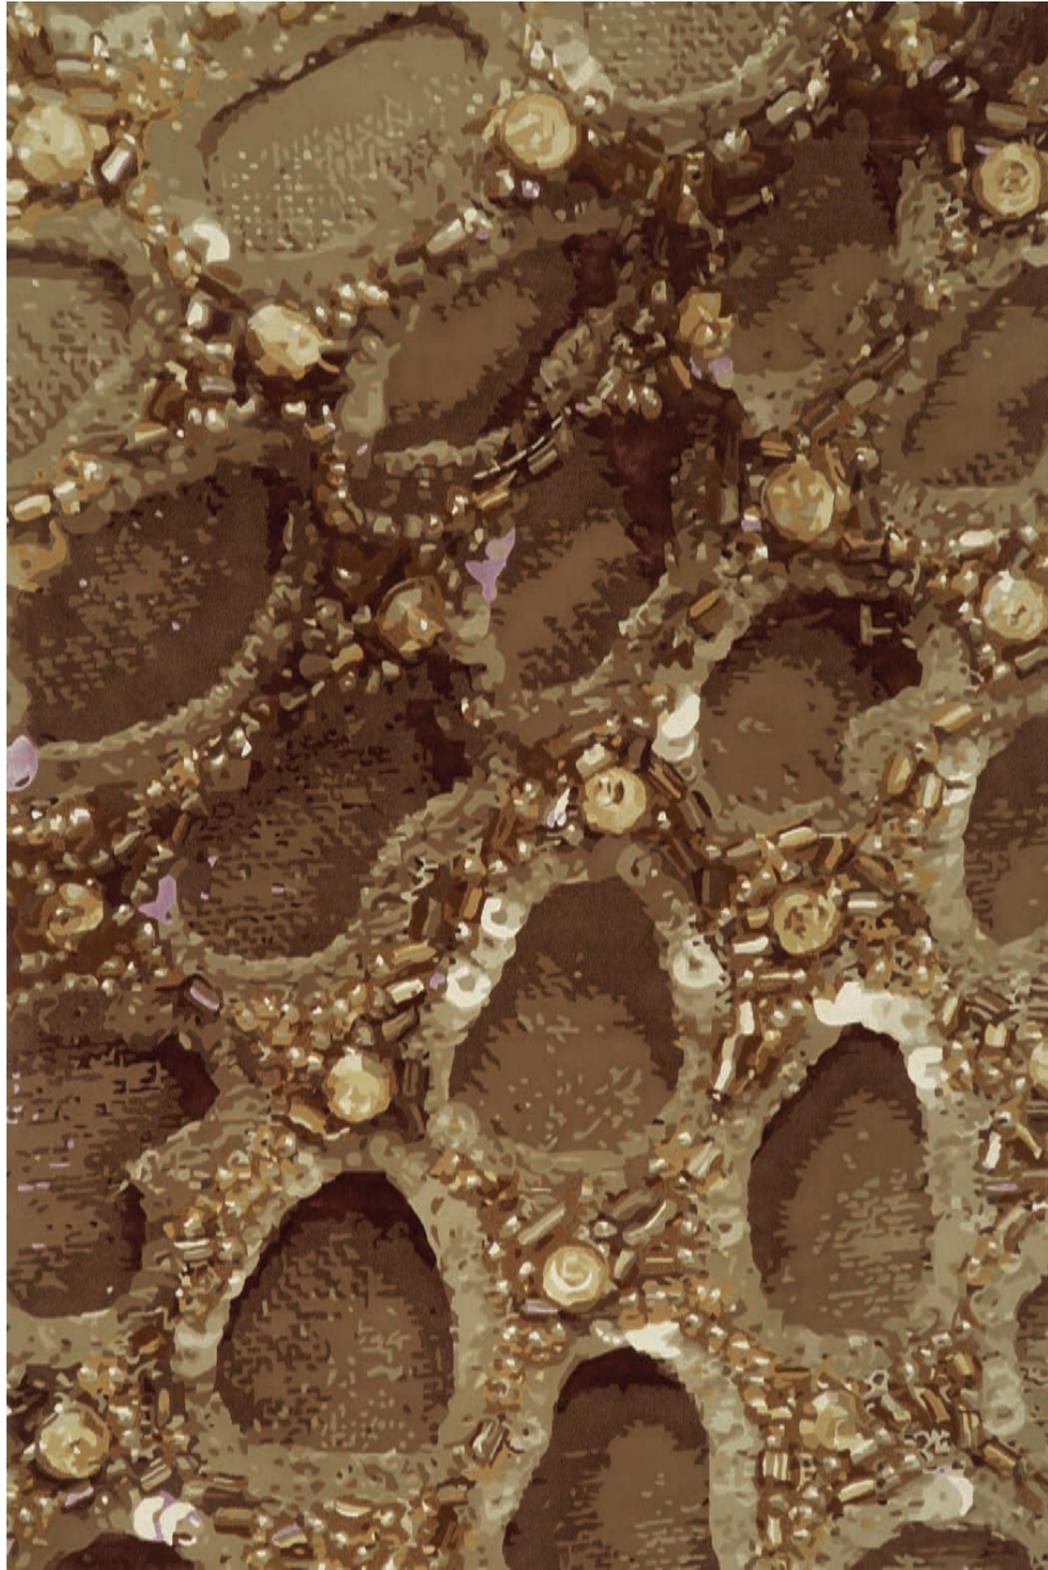

Please note that the colours of the rugs in the photography may vary slightly due to screen settings. For an accurate representation, we recommend viewing physical samples at your nearest showroom.

Perles

Hand Tufted Semi-Worsted NZ Wool + Bamboo Silk
250 Diameter

Drawing from the delicate beading of a bridal gown, Perles is a soft yet intricate design that balances femininity with subtle elegance. The round, beaded leaf motifs and pearl-inspired embellishments are softened with blush pink and mauve hues.

De Miel

Hand Tufted Semi-Worsted NZ Wool + Bamboo Silk
200 x 300cm

De Miel means “honey” in French, referencing the complex honeycomb pattern of one of Steven’s gowns, translated into a dynamic, textural rug design that heroes the beautiful, fine detail found in the original gown.

La Nuit

Hand Tufted Semi-Worsted NZ Wool + Bamboo Silk
200 x 300cm

Inspired by elegant evening wear, the name La Nuit translates to “at night”. This design takes the glamour of the red carpet and brings it home with a moody and dramatic palette.
