Kiruna Collection

Design by Anna-Carin McNamara

Anna-Carin is the founder of ANNA.CARIN, an award-winning, international interior design studio based in Sydney, Australia, renowned for its expertise in creating customised interiors for private homes.

This marks Anna-Carin's third collaboration with Designer Rugs, a partnership that has flourished over decades. *"Working with Designer Rugs feels like being part of a tribe,"* she says. *"Shaun, Yosi, Lia, and the whole team are more than collaborators – they're like family."*

Anna-Carin's latest collection pays tribute to nature and the rich heritage of the Sami, the Indigenous people of Northern Scandinavia. The Kiruna collection is inspired by gifts received from the Sami during a family trip to Kiruna, Sweden. These handcrafted items reflect a deep connection to the land. *"This collection is my way of honoring and bringing awareness to the Sami people and their semi-nomadic culture,"* Anna-Carin.

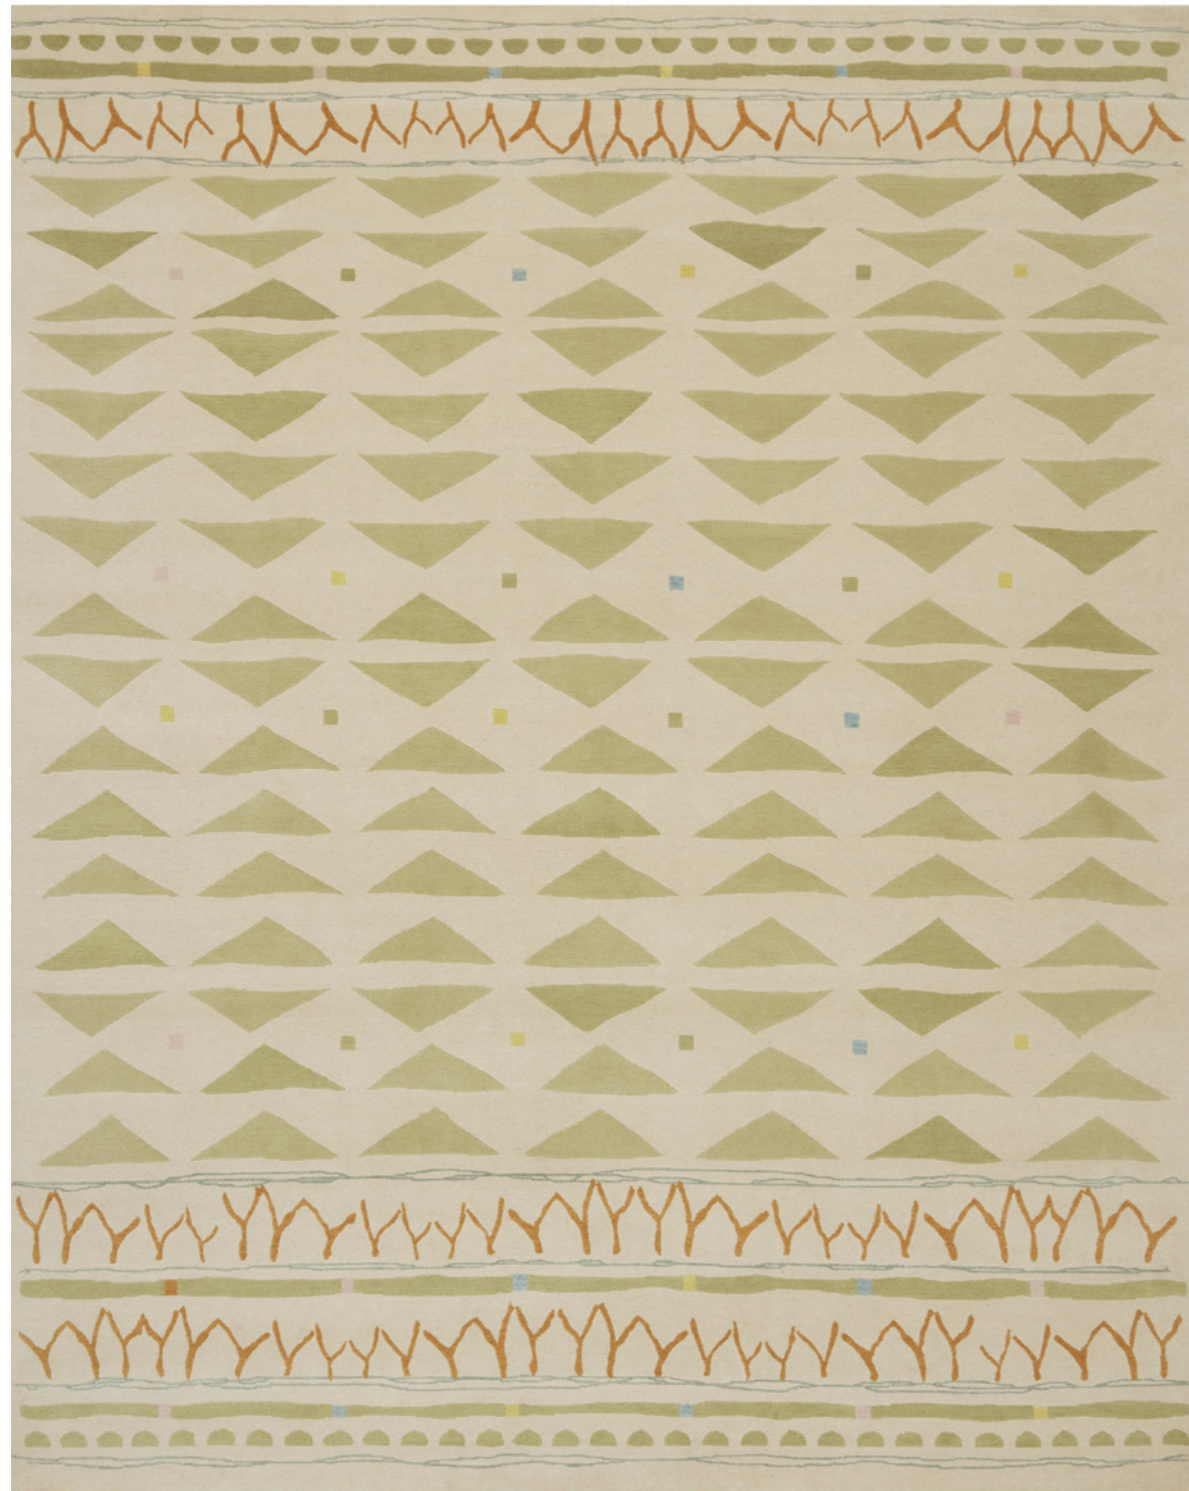

Please note that the colours of the rugs in the photography may vary slightly due to screen settings. For an accurate representation, we recommend viewing physical samples at your nearest showroom.

Knifer "knife"

Handknotted Tibetan Wool + Bamboo Silk
240 x 300cm

Inspired by a small knife that Anna-Carin's brother Lasse was gifted with a handle made of reindeer horns. It had this intricate interwoven 'noughts and crosses' pattern carved into it.

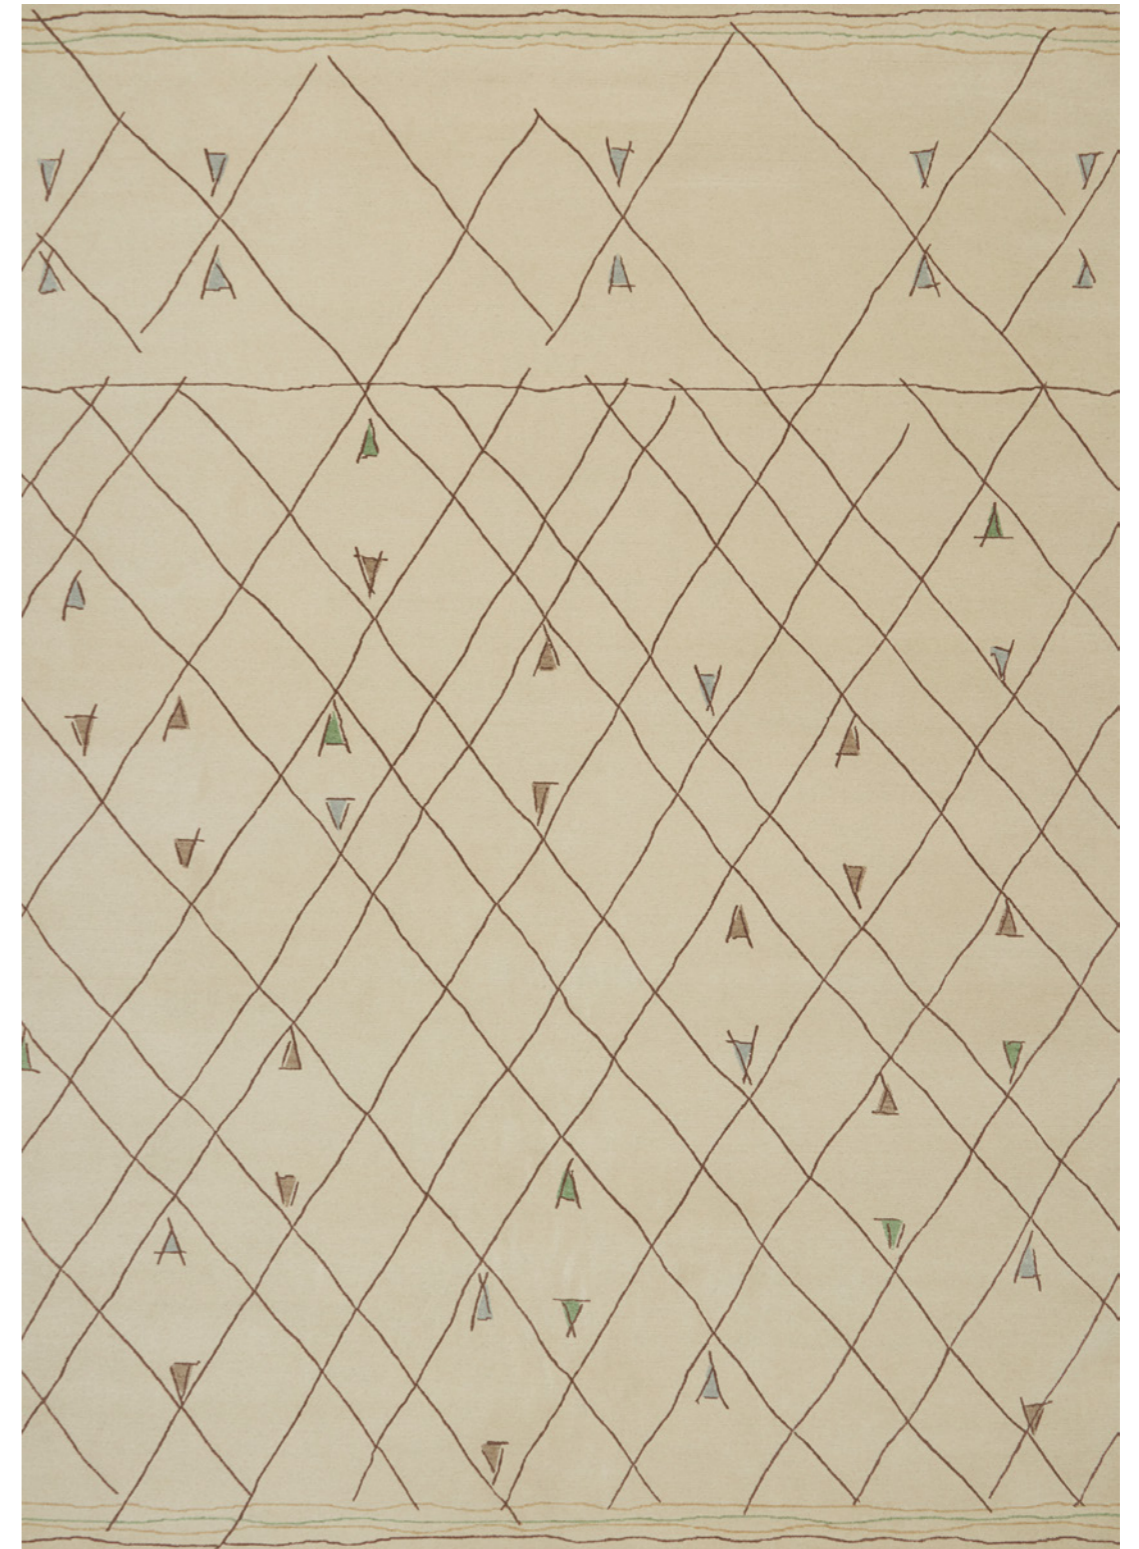

Trewa "tree"

Handknotted 100% Tibetan Wool
240 x 300cm

Inspired by the reindeer leather coin purse Anna-Carin's sister, Eva-Maria was gifted, which featured an embroidery pattern resembling tree roots or reindeer horns.

Fjell "mountain"
Handknotted 100% Tibetan Wool
240 x 300cm

Fjell “mountain”

This design references a little wooden ladle gifted to Anna-Carin’s brother Kalle. It included carvings in a diagonal uneven pattern that looked like mountain tops with little huts spilled over them.

Blom “flower”

Handknotted 100% Tibetan Wool
240 x 300cm

Anna-Carin was gifted a doll dressed in traditional Sami attire, featuring embroidered mittens, fur boots with upturned toes, and a hat with ear flaps adorned with lace and ribbons. A tasselled scarf with embroidered flowers draped over her shoulders, inspiring this design.
