EMMA ELIZABETH DESIGNS

The Opal Collection by Designer Rugs and Emma Elizabeth captures the mesmerizing beauty of Australia's national gemstone. Each rug draws on the opal's ancient history and shifting light, turning its natural allure into striking floor art.

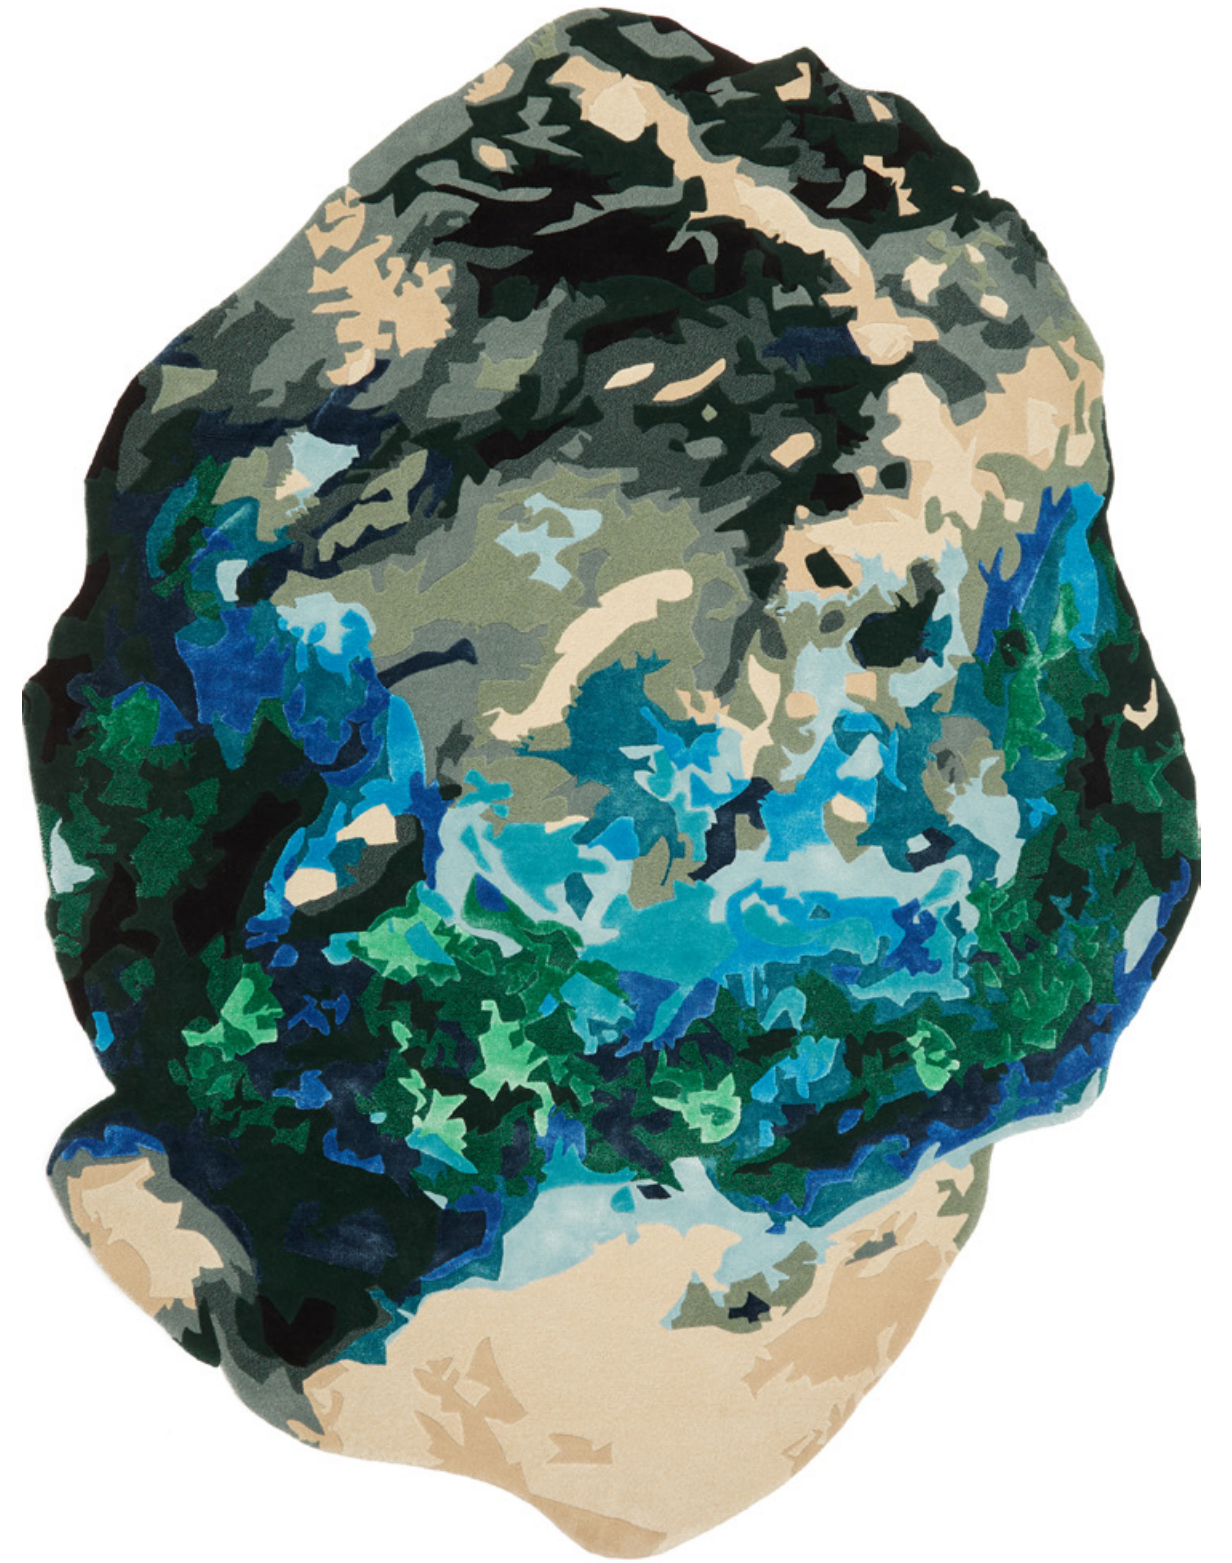

The collection features four distinctive designs: Fire Sovereign, Celestine, Aurora Terra and Aqua Lumina.

With flowing, gemstone inspired outlines, these rugs go beyond the traditional rectangle. Their distinctive shapes highlight Designer Rugs' skill in creating custom designs for interiors seeking something truly one of a kind.

Handmade from premium New Zealand wool with luminous bamboo silk accents, every piece feels plush and refined. This blend reflects the opal's iconic play of colour, adding softness and a subtle shimmer.

Equal parts functional and artistic, these rugs serve as striking gallery pieces as well as everyday essentials. In homes or commercial settings, they command attention as vibrant centrepieces, bringing a refined sense of creativity and contemporary style to any space.

Please note that the colours of the rugs in the photography may vary slightly due to screen settings. For an accurate representation, we recommend viewing physical samples at your nearest showroom.

Celestine

NZ Wool + Bamboo Silk
200 x 260cm

Inspired by the ethereal beauty of the rare Halley's Comet opal, this rug captures a sense of cosmic wonder and fleeting brilliance. Delicate yet expansive, its design focuses on the way light travels across a precious stone, creating streaks and flashes of celestial colour.

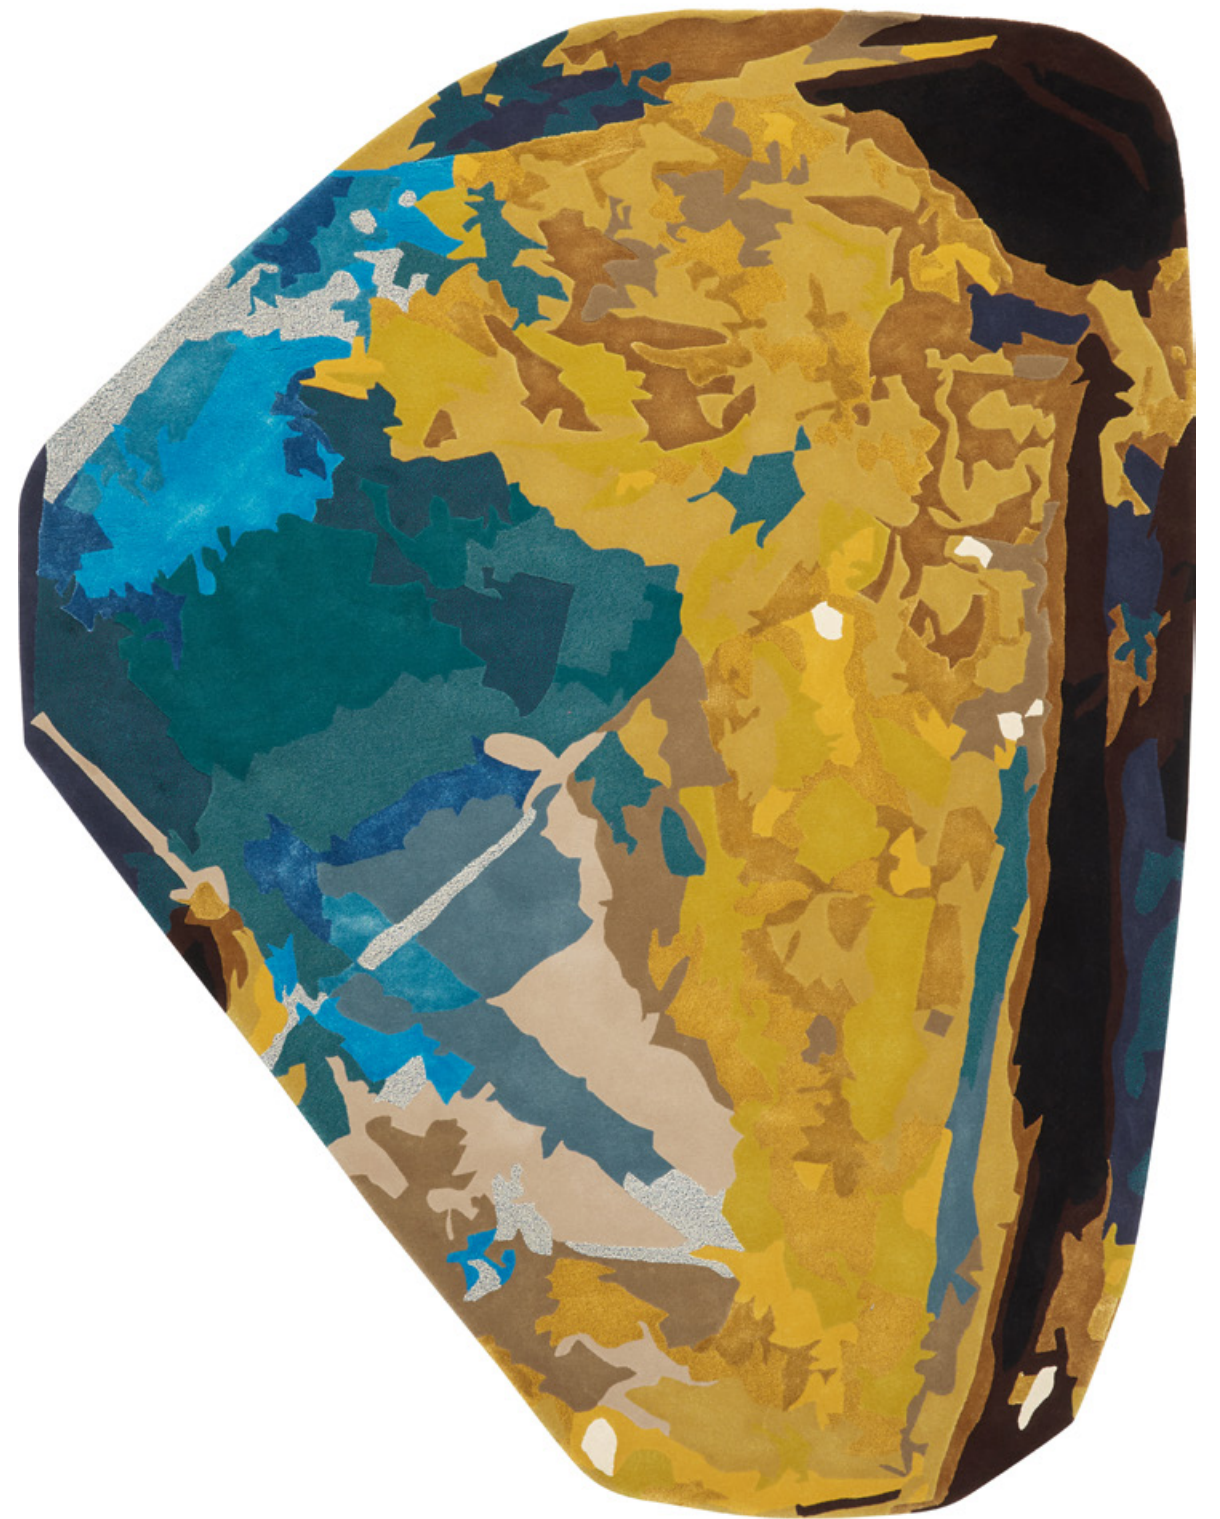

Fire Sovereign

NZ Wool + Bamboo Silk
200 x 250cm

Experience the fiery drama of the Fire Sovereign, a rug that captures the vibrant energy of its namesake opal. Bursts of red and orange seem to dance across its surface, translating movement through layered, gestural patterns and warm, shifting tones. This design is bold, dynamic, and unapologetically expressive like fire caught in stone.

Aqua Lumina

NZ Wool + Bamboo Silk
200 x 250cm

The Aqua Lumina rug captures the serene fluidity of light playing beneath a water like surface. This contemplative design features soft blues, gentle greens, and creamy whites that ripple across the surface, creating a sense of calm movement and reflection, as if the opal itself had been poured across your floor.

Aurora Terra

NZ Wool + Bamboo Silk
160 x 300cm

Aurora Terra is the most earthy and sculptural of the collection. It could be ideal for refined, minimalist interiors or spaces that focus on form and calm with its subdued burnt tones. Think tonal palettes, stone, linen, and subtle textures where it can hum softly rather than shout loudly like the Fire Sovereign.
